**Betreff:** Re: KOREA-BUSAN Festival - Thank you - 매우 감사합니다

Dear Mr. Wendt,

After all of those hardworks and toils in the run-up to Korea-Busan festival 2023 for the last 4 months, we made it together probably the best Partner Festival in the Kehrwiederspitze in the history of Hamburg Hafengeburtstag !

We all know that every one of us should be credited for this proud achievement, our colleague from Busan and Hamburg government, Korean community in Hamburg,

TruCom staffs including Mr Kang and Ms Kelly and my staff in the Korean Consulate especially Inki Min, Byongho Lee and Frau Chong and the importan players engaged in each different field, such as Mr Scholz and Mr Rau....

But if I single out one person from German side, it is You, Mr. Wendt, who deserve our greatest appreciation for the impeccable preparation and huge success of the

Korea-Busan Festival 2023.

On behalf of the Korean Consulate and government, I would like to thank you, Mr. Wendt. for your professional duty and excellent partnership.

You will be remembered as a great friend of Korea from now on.

I wish all the best to you and look forward to seeing you soon on another occasion.

with my best regards,

Kihong JUNG

Consul General in Hamburg

Republic of Korea
